

Light it up uk

FAQ

Q What power is required?

A A 13amp socket is sufficient for each letter or number. However, they also have inline connectors to link one or more together.

Q What type of bulbs are they?

A The most popular bulb is our 1.8 low wattage LED clear, glass, golfball size with a traditional incandescent style filament. We can also supply bulbs of various colours.

Q Are the letters electrically tested?

A Yes all our items are electrically tested prior to delivery.

Q Are they suitable for outdoor use?

A Yes they can be used outdoors

Q How do I pay?

A We ask for a 50% deposit to secure your booking and then the balance 4 weeks prior to your event which can be paid by card or online banking.

Q Where do you deliver?

A We can deliver anywhere in the UK, with the exception of Northern Ireland. Free delivery is included up a 15 mile radius. We do not use couriers, we personally deliver and collect and can install them for you. Please contact us for delivery costs over 15 miles.
